

DRUID: CIRCLE OF THE LAND

Source: Player's Handbook

The Circle of the Land is made up of mystics and sages who safeguard ancient knowledge and rites through a vast oral tradition. These druids meet within sacred circles of trees or standing stones to whisper primal secrets in Druidic. The circle's wisest members preside as the chief priests of communities that hold to the Old Faith and serve as advisors to the rulers of those folk. As a member of this circle, your magic is influenced by the land where you were initiated into the circle's mysterious rites.

BONUS CANTRIP

When you choose this circle at **2nd** level, you learn **additional** druid cantrip___ of your choice. This cantrip doesn't count against the number of druid cantrips you know.

NATURAL RECOVERY

Starting at **2nd** level, you can regain some of your magical energy by sitting in meditation and communing with nature. During a **short rest**, you choose expended **spell slots** to **recover**. The spell slots can have a **combined level** that is equal to or less than **half your druid level** (rounded up), and **none** of the slots can be **6th** level or higher. You can't use this feature again until you finish a long rest.

For example, when you are a 4th-level druid, you can recover up to two levels worth of spell slots. You can recover either a 2nd-level slot or two 1st-level slots.

CIRCLE SPELLS

Your mystical connection to the land infuses you with the ability to cast certain spells. At **3rd, 5th, 7th, and 9th** level you gain access to **circle spells** connected to the land where you became a druid. Choose that land – arctic, coast, desert, forest, grassland, mountain, swamp, or Underdark – and consult the associated list of spells.

Once you gain access to a **circle spell**, you **always have it prepared**, and it doesn't count against the number of spells you can prepare each day. If you

gain access to a spell that doesn't appear on the druid spell list, the spell is nonetheless a druid spell for you.

FOREST

Druid Level	Circle Spells
3rd	Barkskin, Spider Climb
5th	Call Lightning, Plant Growth
7th	Divination, Freedom of Movement
9th	Commune with Nature, Tree Stride

LAND'S STRIDE

Starting at **6th** level, moving through non-magical *difficult terrain* costs you *no extra movement*. You can also pass through non-magical plants without being slowed by them and without taking damage from them if they have thorns, spines, or a similar hazard.

In addition, you have *advantage on saving throws against plants* that are magically created or manipulated to impede movement, such as those created by the Entangle spell.

NATURE'S WARD

When you reach **10th** level, you *can't be charmed or frightened by elementals or fey*, and you are *immune to poison and disease*.

NATURE'S SANCTUARY

When you reach **14th** level, creatures of the natural world sense your connection to nature and become hesitant to attack you. When a *beast* or *plant* creature *attacks* you, that creature must make a *Wisdom saving throw* against your *druid spell save DC*. On a *failed save*, the creature must choose a *different target*, or the attack automatically misses. On a *successful save*, the *creature is immune* to this effect for **24** hours.

The creature is aware of this effect before it makes its attack against you.
